

The 2009 Youth Art Exhibit

Calling all Anacortes / Fidalgo Island student artists! ACYA invites artists ages 5-18 to participate in the 2009 Youth Art Exhibit at the Port of Anacortes during the Anacortes Arts Festival, August 7th-9th.

Art intake day is July 26th, 1:00 p.m. to 3:00 p.m., at the Anacortes Port Warehouse. Any original artwork (no clip art!) created at school or elsewhere since August 2008 is eligible, with a limit of two entries.

To protect your work, two-dimensional art must be matted or backed, and shrink-wrapped or framed. Artwork with glass must have a traditional frame around the edges. Small sculpture pieces/parts need to be firmly attached to a base. For more information on eligible entries or to download entry forms, visit www.acya.org. Entry forms are also available at the Anacortes Library.

ACYA coordinates the annual Youth Art Exhibit at Arts at the Port. Consisting of two and three dimensional pieces by artists ranging from kindergarten through high school, this un-juried show is a versatile and diverse representation of youth art in the area.
